## **TURBOPULSE GTC10**

## ADVANTAGES

- Best fuel efficiency leads to lower CO2 emissions per MWh
- Suitable for harsh environments
- Fast and easy installation
- Fully incinerable
- Corrosion-proof

- Self-cleaning cartridge filter with longer filter life
- Lower and more stable pressure drop
- Improved pulsability due to HemiPleat open-pleat media technology
- Best pulsability with depth-loading media and multi-layer media technology
- Higher availability and highest reliability

| Application              | Humid or dry heavy dust load areas, coastal and fine hydrocarbo<br>environments<br>Pre- or final filter for gas turbines, large industrial air compresso<br>diesel & gas engines, generators & enclosures   |  |  |  |  |  |
|--------------------------|---|--|--|--|--|--|
| Frame                    | Plastic moulded   |  |  |  |  |  |
| Gasket                   | Double seal, molded TPE   |  |  |  |  |  |
| Media                    | Synthetic   |  |  |  |  |  |
| Separator                | HemiPleat Technology  |  |  |  |  |  |
| Sealant                  | Polyurethane  |  |  |  |  |  |
| Rec. final pressure drop | 1000Pa  |  |  |  |  |  |
| Max airflow              | 1,1 x nominal flow  |  |  |  |  |  |
| Max Temperature (°C)     | 70°C  |  |  |  |  |  |
| Relative Humidity max    | 100%  |  |  |  |  |  |
| Installation Options     | SureGrip gasket for perfect sealing lowers the risk of bypass<br>Built-in alignment tabs for easy installation<br>Built-in handles, indicator washer and centering notches  |  |  |  |  |  |
| Pleat                    | HemiPleat   |  |  |  |  |  |
| Comment                  | Additional product features:<br>Patented proven open-pleat media HemiPleat™ technology<br>Non-discharging T10 (ISO 29461-1:2021)<br>Water resistant media<br>Improved dust release<br>Optimal ability to handle daily fog and humidity<br>High efficiency against salt and hydrocarbons<br>Filter wraps available on demand.<br>Fits any standard conical-cylindrical filter house installations<br>100% corrosion-proof<br>Fully incinerable<br>Faster and easier installation |  |  |  |  |  |
